**Registration form for the IFOAM General Assembly
in VIGNOLA/Italy June 22 - 24, 2008**

Dear IFOAM member,

Bonn, April 22, 2008

Our next General Assembly (GA) is now only two months ahead of us. As a democratic federation of member organizations, the GA is the place where you can execute your (voting) power and influence directly the future fate of your federation. We think all members agree about the importance to be present and represented at our GA in Vignola.

Please note that only people who have been properly authorized can represent member organizations at this GA. In order to get a voting card, the representative must present the authorization form below from your organization. This form must be signed by the legal representative of your organization and be presented at the registration desk in Vignola in order to get the voting card.

Any person from your organization or any other member organization attending the GA can be authorized as a delegate. It is also possible just to write „the carrier“ on the slip, which means that the person, who presents the slip at the registration desk, will obtain your voting card. Please note that according to the IFOAM statutes there is a limit of a total of 5 votes per person.

If you cannot send a representative yourself, please contact an IFOAM member organization close to you (see our directory or list on the web) and transfer your voting right per proxy to one of them having your trust and being instructed with your decisions.

We also want to remind you that you can only exercise your voting right if you have paid your membership fee for year 2008. Just in case your payment has not been identified, please provide a proof of fee payment at the registration desk.

We hope to welcome a representative from your organization in Vignola.
Organically yours

Thomas Cierpka
